1.FIGMA

Profile:

Figma internal profile

The screenshot shows the Figma internal profile page for Aarohi Kushwaha. The browser tabs at the top include GitHub, Google Keep, Aarohi Kushwaha - Quora, and Recents and Sharing - Figma. The URL in the address bar is figma.com/files/team/1443613180417551886/recents-and-sharing?fuid=1443613178566798185.

The left sidebar shows the user's profile (Aarohi Kushwaha), a search bar, and navigation options: Recents, Aarohi Kushwaha's team (Free), Drafts, All projects, and Trash. Below these are sections for Starred (Team project) and Explore Community.

The main content area is titled "Recents" and features a "Create new" button. It displays a grid of recent files under the "Recently viewed" tab. The files shown are:

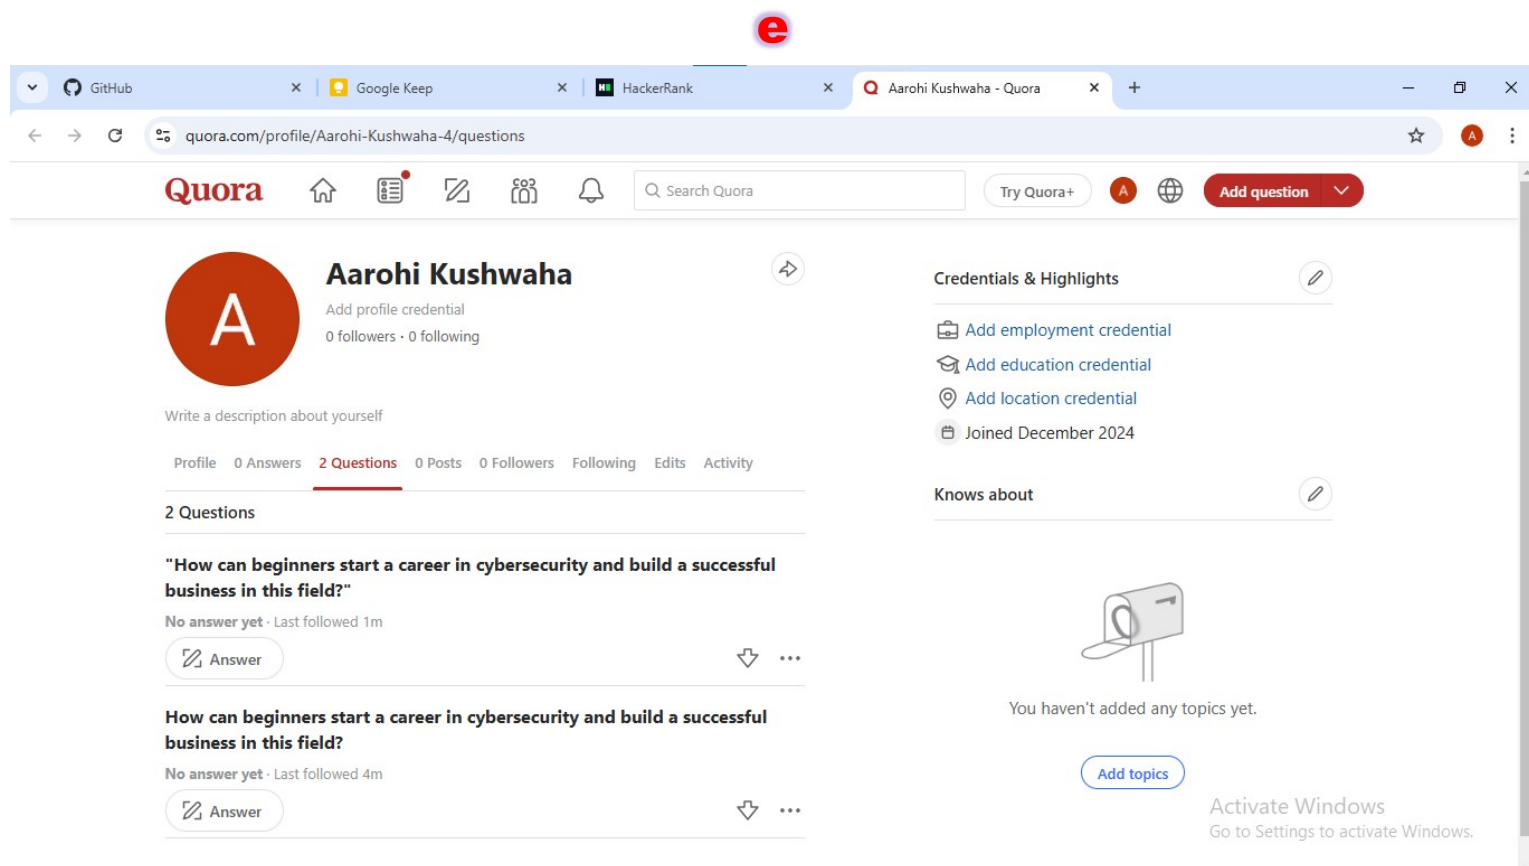

- Untitled (Edited 11 days ago)
- Untitled (Edited 11 days ago)
- Untitled (Edited 11 days ago)
- FigJam basics (Edited 11 days ago)
- Figma basics (Edited 11 days ago)
- Aarohi Kushwaha's team library (Edited 11 days ago)

The "Aarohi Kushwaha's team library" file is highlighted and shows a preview of a team library with the text "Build your own team library".

An "Activate Windows" watermark is visible in the bottom right corner of the screenshot.

3.STACKOVERFLOW

PROFILE:

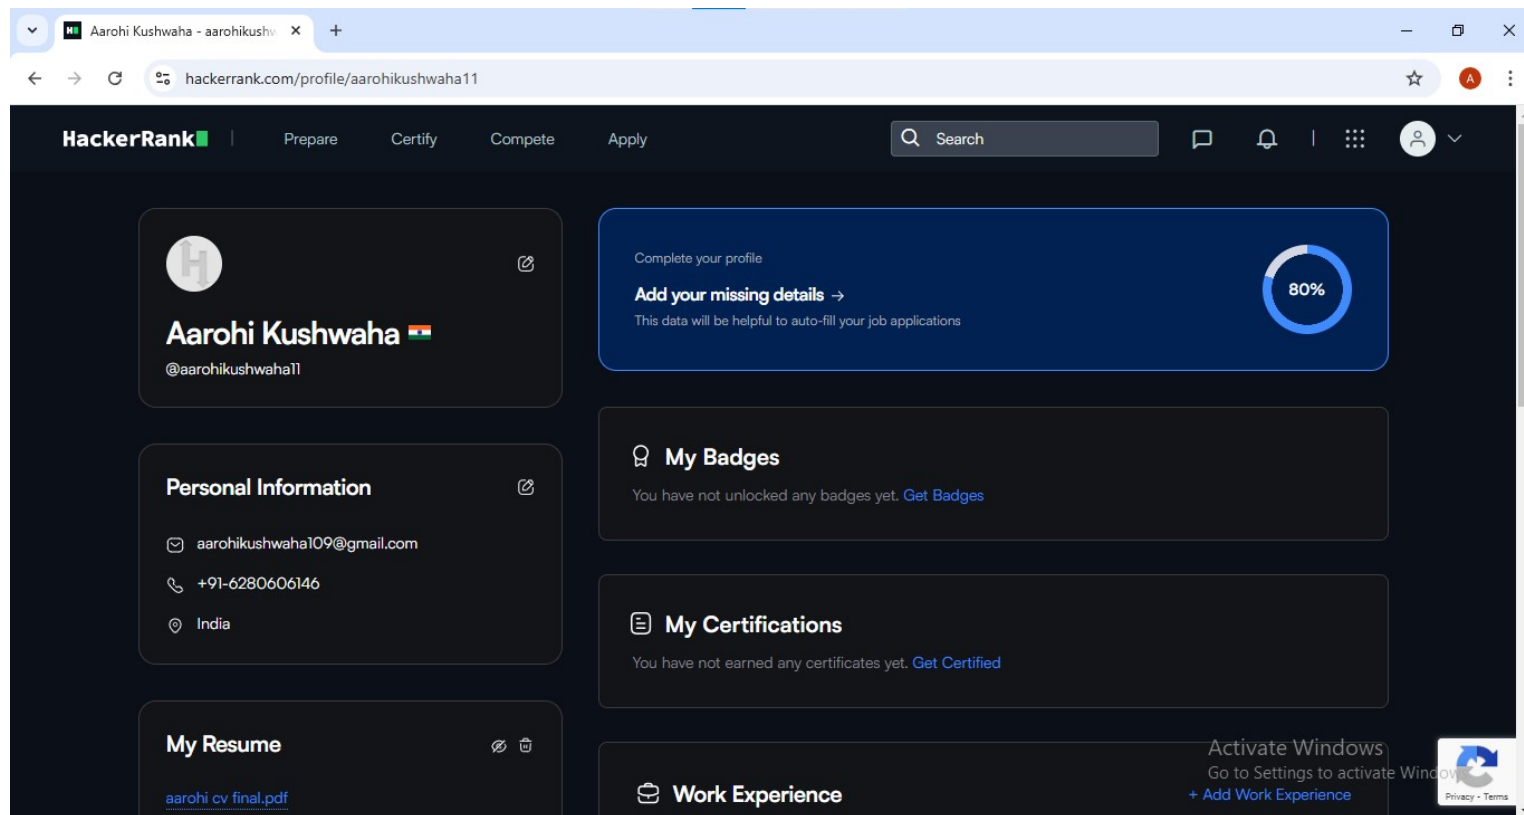

The screenshot shows the Stack Overflow user profile page for user28679392. The page includes a navigation sidebar on the left with links to Home, Questions, Tags, Saves, Users, Companies, LABS, Jobs, Discussions, COLLECTIVES, and TEAMS. The main content area features a welcome message, a reputation bar showing 1 reputation, a badge progress section, and a list of interesting posts for the user. The first post is titled "How to Prevent Arrow Rotation from Resetting When Switching Accordion Menus in JavaScript?" and the second is "How can beginners start a career in cybersecurity and build a successful business in this field?".

Accomplishment: Raised a question

The screenshot shows a Stack Overflow question page for the question "How can beginners start a career in cybersecurity and build a successful business in this field?". A success notification overlay is displayed in the center of the page, stating "Your first question is published! Now what?". The notification includes instructions for new contributors, such as "Community members may comment on your question," "Read comments and feedback. Edit your question, if needed," and "Try out new answers and accept the most helpful one."

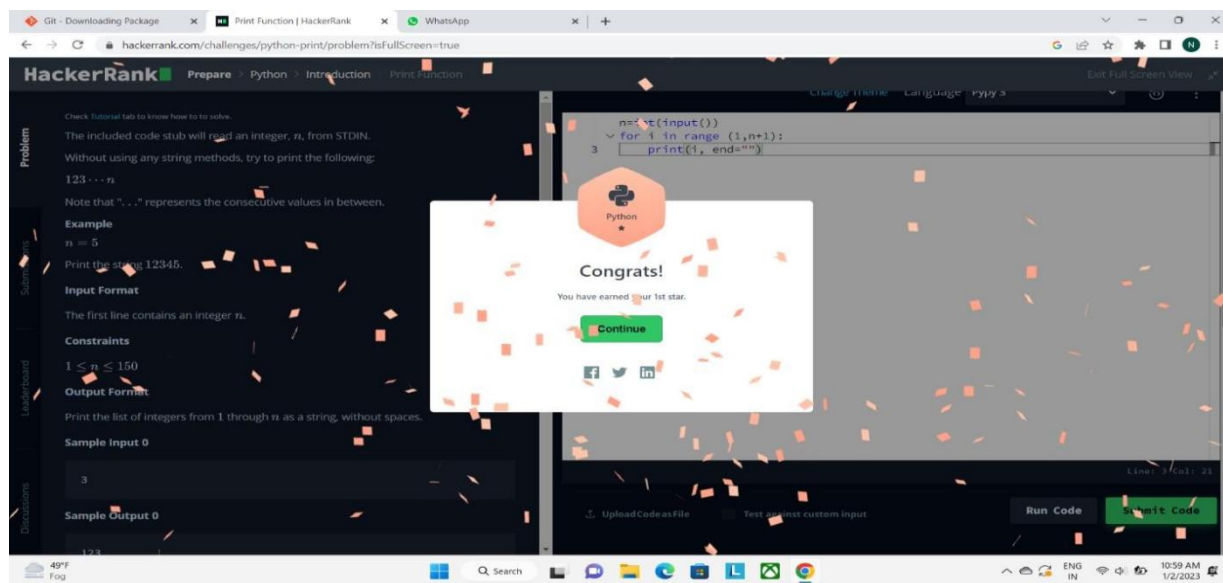

4.HACKER RANK

Achieved a five star badge :

5.HACKER EARTH

Profile:

The screenshot shows the HackerEarth profile page for Aarohi Kushwaha. The browser address bar shows the URL `hackerearth.com/@aarahikushwaha109/`. The profile header includes a red circular avatar with the letter 'A' and the name 'Aarohi Kushwaha'. The navigation bar at the top has links for PRACTICE, COMPETE, JOBS, and LEADERBOARD, along with a search bar and a user menu.

On the right side of the profile, a badge notification states: "You have earned 0 points based on your activities. You need 40 more points to get the next badge". Below this, a row of statistics is displayed:

Points	Contest ratings	Problem solved	Solutions submitted
0	0	0	0

On the left side, the 'Connected Accounts' section lists GitHub and StackOverflow, both with 0 repositories, followers, reputation, questions, and answers. A 'Connect' button is visible next to StackOverflow.

The '0 submissions in the last year' section features a calendar grid for the months of January through December, with all cells currently empty.

At the bottom, the 'Education' section is partially visible. An 'Activate Windows' watermark is present in the bottom right corner of the browser window.

6. GEEKS FOR GEEKS

Profile:

The screenshot shows a web browser with multiple tabs open, including 'Aarohi Kushwaha - aarohiku...', 'Aarohi Kushwaha | Develop...', 'user_uk5ca31dknw | GeeksforGeeks', and 'aaroHi857'. The address bar shows the URL 'geeksforgeeks.org/user/user_uk5ca31dknw/'. The website header includes navigation links for Courses, Tutorials, Jobs, Practice, and Contests, along with a search icon, a user profile icon, and a notification bell. The main content area displays the user's profile for 'user_uk5ca31dknw'. It features a profile picture with the letter 'U', a 'Current POTD Streak' of 00/1224 days, and statistics for Coding Score, Problem Solved, and Contest Rating. A sidebar on the left lists various user activities and settings, including 'Courses @35% Off', 'Saved Items', 'Profile', 'Contributions', 'Colleges', 'Companies', 'Campus Ambassadors', and 'Invite'. At the bottom, there is a section titled 'Start Solving a Problem' with a 'Solve Problems' button and a Windows activation notice.

GITHUB

Profile:

The screenshot shows a web browser with multiple tabs open, including 'Aarohi Kushwaha - aarohi857', 'Aarohi Kushwaha | Developer', and 'user_uk5ca31dknw'. The active tab is 'aarohi857', displaying the GitHub profile page for the user 'aarohi857'.

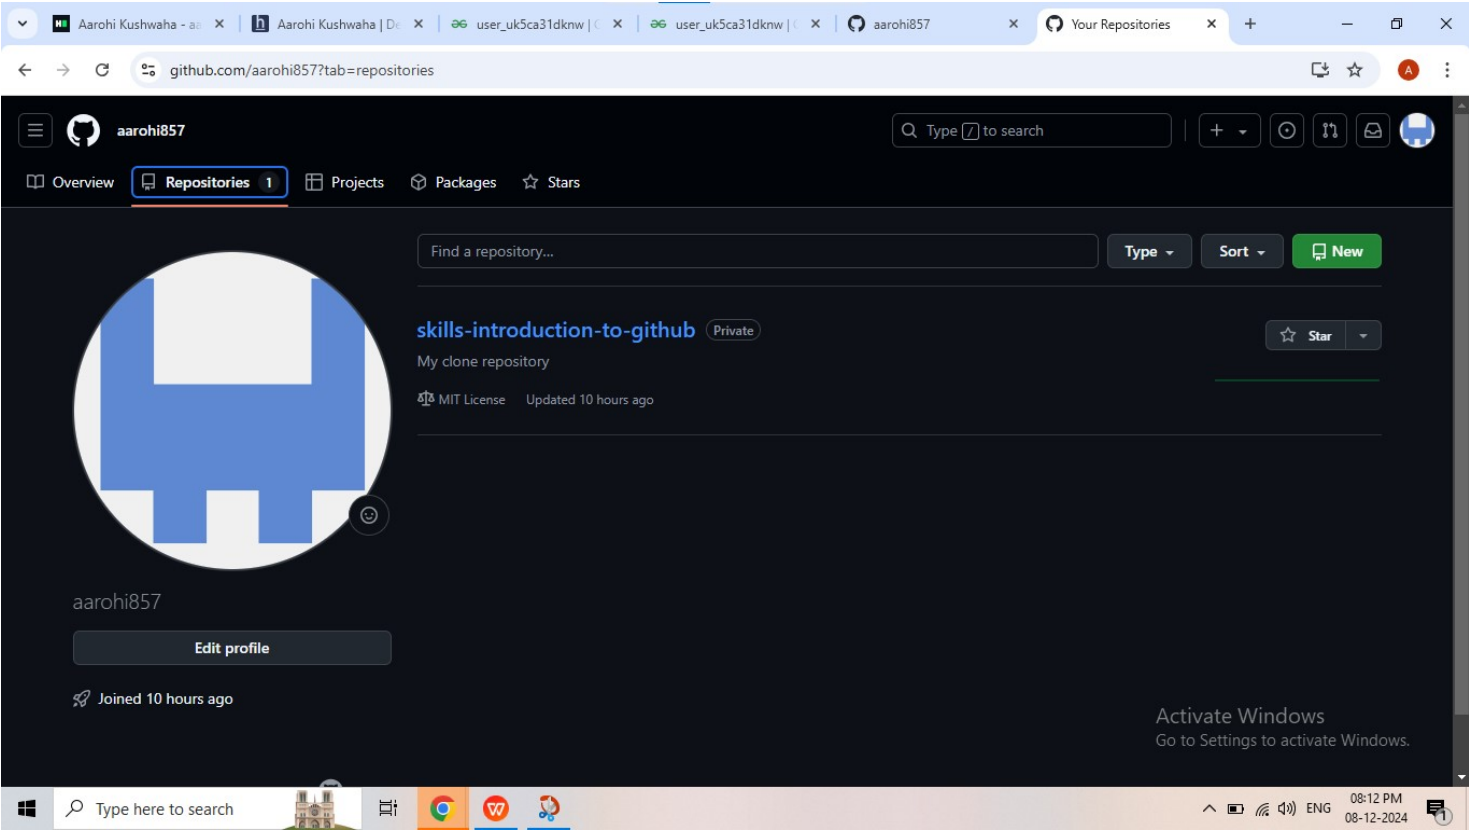

The profile page has a dark theme. At the top, there's a navigation bar with the GitHub logo, the username 'aarohi857', a search bar, and icons for repository, issues, pull requests, and settings. Below the navigation bar, there's a tab bar with 'Overview', 'Repositories 1', 'Projects', 'Packages', and 'Stars'. The 'Overview' tab is selected.

The main content area features a large circular profile picture of a blue and white robot. To the right of the profile picture, it says 'Popular repositories' and 'You don't have any public repositories yet.' Below the profile picture, the username 'aarohi857' is displayed, followed by a button 'Edit profile' and a status 'Joined 10 hours ago'.

Below the profile picture, there's a section titled '3 contributions in the last year'. It includes a 'Contribution settings' dropdown and a '2024' button. A calendar grid shows contributions for December, January, and February. A tooltip indicates 'No contributions on March 18th'. The grid shows a single green square on December 1st. Below the calendar, there's a link 'Learn how we count contributions' and a legend 'Less [green square] More [green square]'. The legend shows four green squares.

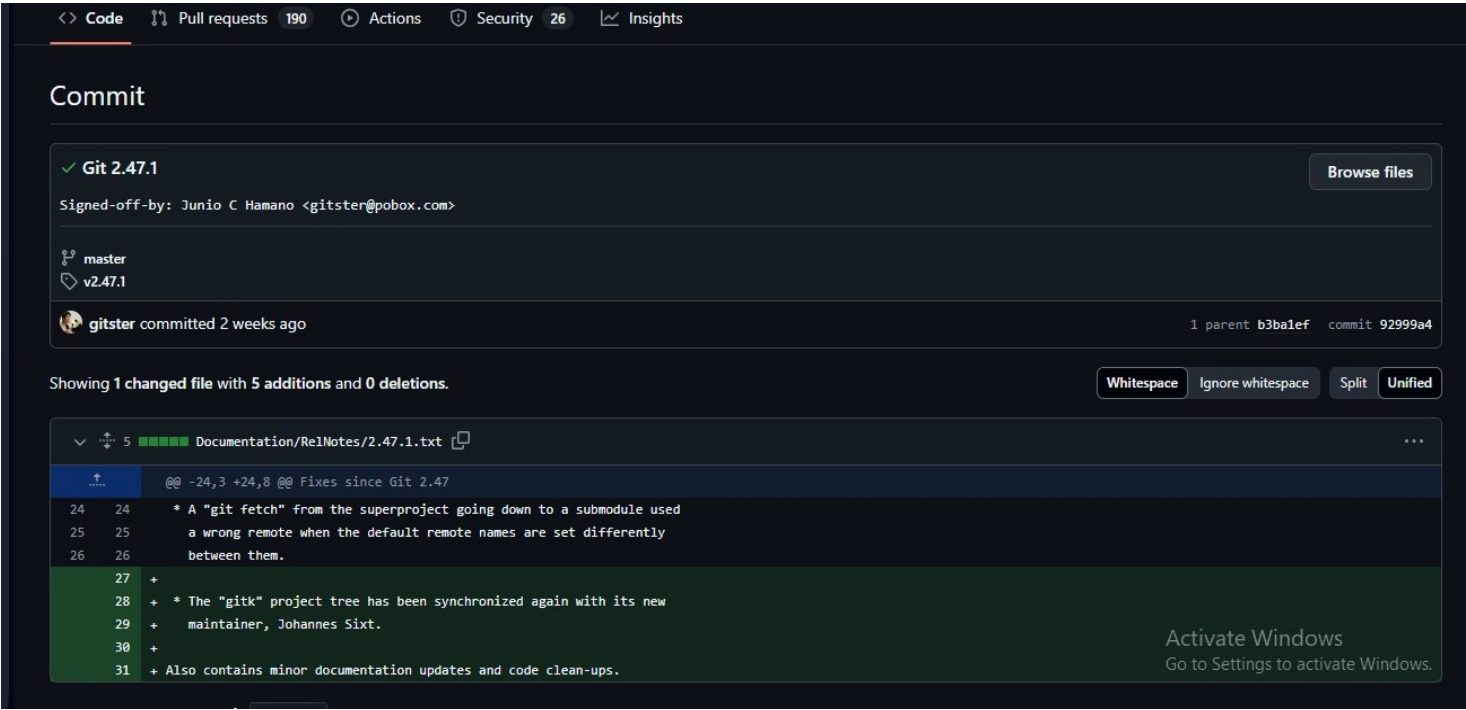

At the bottom, there's a section titled 'Contribution activity' for 'December 2024'. It shows a single commit: 'Created 1 commit in 1 repository'. On the right side, there's a 'Activate Windows' watermark with the text 'Go to Settings to activate Windows.'
